

# GITW 2023

## Global Information and Telecommunication Workshop

December 16<sup>th</sup> 2023, Tokyo, Japan (Hybrid)

Learn more at <https://gitw2023.w.waseda.jp/>

## CALL FOR PAPERS

The **GITW** is a global inter-university workshop event focused on the latest advances in Information and Communication Technology (ICT). Its primary aim is to provide students with the chance to present their achievements in English and engage in discussions with other universities from around the globe. Furthermore, the workshop facilitates the exchange of academic information among faculty members and serves as a platform to promote international joint research collaboration.

### Topics of Interest

The GITW2023 will address challenges with realizing ICT over various sectors including technology and applications. We cordially invite original contributions in, but not limited to, the following areas:

- Communications Software and Multimedia
- IoT and Sensor Networks
- Mobile & Wireless Networks
- Optical Networks & Systems
- Wireless Communications
- Machine Learning and AI
- Vehicular Cooperation and Control
- Assisted and Autonomous Driving
- Satellite, Airborne and Maritime Mobile Systems
- Next generation networking and future internet
- Computer Vision / Video and Image Recognition
- e-Health
- Big Data
- Quantum Communications
- Natural Language Processing
- Information security and privacy
- Image/Network Processing etc.
- Digital Contents

### Important Dates

Abstract Submission: October 31, 2023

Presentation slides submission: November 30, 2023

### Co-Organizers:

HANYANG UNIVERSITY

Universiti Kebangsaan  
Malaysia

Tsinghua University

National Taiwan University

### Participant Universities:

Beijing University of Technology  
Institut Teknologi Sepuluh Nopember  
Institut Teknologi Bandung  
Queen's University Belfast

Peking University  
Shanghai Jiao Tong University  
Thammasat University  
Memorial University  
Charles Sturt University

The Arctic University of Norway  
University Malaysia Sabah  
Zhejiang University  
Norwegian University of Science and Technology

### Organizer:
